WHAT IS PRESENTATION QUEST?

Presentation Quest is an immersion and service program sponsored by the Sisters of the Presentation of Dubuque, Iowa. Our vision is to provide and promote opportunities in learning the root causes of poverty as well as in educating others in earth sustainability. These opportunities engage us in a deeper understanding of our relationships to one another, to Earth and to God. Together, the sisters, associates and volunteers strive to give expression to our Presentation charism of hospitality. Regardless of the experience, our focus is to engage ourselves and others in the quest of the living God.

WHO MAY PARTICIPATE?

Presentation Quest seeks mature, spiritually motivated women and men in support of the mission of the Sisters of the Presentation and Associates. Young adults 18 years of age and older, Presentation sisters, associates, family and friends are encouraged to participate.

The service trips that I have been on have been very rich blessings in my life. I participated in them in an effort to reach out and help those individuals and communities in need. It was then that I realized that it is "in giving that we receive." In doing so, I have seen the face of Christ.
